

MATERIAL SAFETY DATA SHEET

1. Trade Name : C-PLAST 01 TP 2. Composition Information : Pigment compound in polymer , not containing any noxious or hazardous materials. 3. Health Hazards : Eyes: May be irritated by vapours. Inhalation: Prolonged exposure to vapours may couse headache. Indiation: Not hazards. 4. First Aid and Emergency : Eyes: Not applicable. Strin: Rinse with water. Inhalation: After heavy exposure move to fresh air. Indiation: After heavy exposure move to fresh air. Indiation: Carbon dioxide foam, dry chemical. Stringuishing media: Suitable: Carbon dioxide foam, dry chemical. Stringuishing media: Suitable: Carbon dioxide foam, dry chemical. Indiation: Carbon dioxide. Protective clothing: Self contained breathing equipment 6. Spilling and Leakage : Personal protection: Wear coverall and gloves. Cleaning/Disposal: Scoop or vacuum into receptacle. Follow governmental regulations for disposal. 7. Handling: Keep away from sparks and open flame. Keep away from food and aniani feed stuffs. Storage: Keep in a cool place. Keep away from food and aniani feed stuffs. 8. Personal Protection : Respiratory: If concentration exeeds TLV, use approved respirator. Hands: Use gloves. Eyes: Wear spectacles. Skin: Wear coverall. Storage: Keep in a cool place. Keep away from food and aniani feed stuffs. 9. Physical form: Granules. Physical form: Granules. Notidition: NA Color: Bright Auto-ignition:>250 C. Heaming point:>210 C. Heaming point:>250 C. Heating point:>250 C. Heating point:>250 C. Heating point:>250 C. Heating and Reacctivity: Subuibility: Water: Insoluble. Cone separated f	 Composition Information : Pigment compound in polymer , not containing any noxious or hazardous materials. Health Hazards : Eyes: May be irritated by vapours. Inhalation: Prolonged exposure to vapours may couse headache. Ingestion: No hazards. Infalation: Prolonged exposure to vapours may couse headache. Ingestion: No hazards. First Aid and Emergency : Eyes: Not applicable. Skin: Rinse with water. Inhalation: After heavy exposure move to fresh air. Ingestion: Not applicable. Fire and Explosion Safety Data : Extinguishing media: Suitable: Carbon dioxide foam,dry chemical. Unsuitable: Water spray may be ineffec Products of combustion: Carbon dioxide. Spilling and Leakage : Personal protection: Wear coverall and gloves. Spilling and Leakage : Personal protection: Wear coverall and gloves. Environmental protection: Can be separated from wa Cleaning/Disposal: Scoop or vacuum into receptacle. Filling and Leakage : Personal protection in food and animal feed stuffs. Personal Protection in Respiratory: If concentration exeeds TLV,use approved respirator. Handling: Keep away from sparks and open flame. Keep away from food and animal feed stuffs. Physical and Chemical Data : Physical and Chemical Data : Physical and Chemical Data : Physical form: Granules. Color : Bright Odour: Non. Physical form: Granules. Color : Bright: Other: Strong oxidizing agents. Haardous decomposition Products: Oxides of carbon. Toxicological Information: Acute: No negative effects known. Other: Not listed as carcinoge	Date	: 07 MEI 2024						
Pigment compound in polymer , not containing any noxious or hazardous materials. 3. Health Hazards : Eyes: May be irritated by vapours. Skin: No hazards. Inhalation: Prolonged exposure to vapours may couse headache. Ingestion: No hazards. 4. First Aid and Emergency : Eyes: Not applicable. Eyes: Not applicable. Skin: Rinse with water. Inhalation: After heavy exposure move to fresh air. Ingestion: Not applicable. 5. Fire and Explosion Safety Data : Unsuitable: Water spray may be ineffective. Products of combustion: Carbon dioxide foam,dry chemical. Unsuitable: Water spray may be ineffective. Products of combustion: Carbon dioxide. Protective clothing: Self contained breathing equipment 6. Spilling and Leakage : Personal protection: Wear coverall and gloves. Environmental protection: Can be separated from water. Cleaning/Disposal: Scoop or vacuum into receptacle. Follow governmental regulations for disposal. 7. Handling: Keep away from sparks and open flame. Storage: Keep in a cool place. Keep away from food and animal feed stuffs. Shin: Wear coverall. 9. Physical form: Granules. Color : Bright Odour: Non. Physical form: Granules. Color : Bright Odour: Non. Physical form: Granules.
