

PETRO GREASE EP 00

General Purpose Extreme Pressure Industrial Grease

Product Description

- Extreme Pressure lithium soap-based greases
- Available in NLGI grade 00
- Contains unleaded EP additive provides exceptional wear protection

Recommendation:

- Lubricating plain and rolling element bearings in normal through heavy-duty industrial application
- Formulated for lubrication of loaded slide-ball-end roller-bearings, universal joints, chassis and various shock loaded or vibrating applications
- Recommended temperature range :
up to 120°C
- Recommended for industrial grease application and automotive equipment where high loads happen

General Characteristic:

- Excellent wear protection

Sales Specification

| Lithium Extreme Pressure Grease | |
|-------------------------------------|---------------|
| NGLI Grade | 00 |
| Thickener | Lithium |
| Color | Natural Brown |
| Penetration at 25°C, Worked (60 st) | 372 |
| Dropping Point | 200 |

*) Typical test data are overage value only
